

Coffee Shop Menu

Dalat, with her special soil, latitude, and frostless winters, is the certified best coffee region of Vietnam. At émai, we are trained under one of Vietnam's best coffee experts, and our coffees are made with some of the world's best farm-to-cup beans, brought to Vietnam by the French.

Our teas, too, are handpicked from Vietnam's finest.

In addition, we have concocted a selection of creative and healthy drinks made specially to delight the palate and nourish the body.

Our drinks go perfectly with our charming homemade treats. From heartwarming mulled wine panacottas to delightfully creamy passion fruit cheesecakes, have a taste of heaven with our handpicked selection of special homemade cakes and desserts.
